Intro to Functional Swift

- Introduction
  - Intro to Closures Part 1/2
  - Intro to Closures Part 2/2
  - Lazy Init with Closures
  - Capture Lists
  - Trailing Closures
  - Completion Handlers and Callbacks
  - @escape and @autoclosure
  - Conclusion

Protocol Oriented Swift

Advanced Generics

Memory Management

Advanced Enum

Advanced Swift

Swift Extra

- Swift Styling Guide
- Swift External Resources

Software Engineering

- Coding Principles
- Agile Development

Productivity

- Shortcuts
  - Atom
  - Gmail
  - Google Spreadsheet
  - Google Chrome
  - Xcode
  - MacOS

Development Tools

- Software
- Markdown
- Mermaid
